IMPORTANT INFORMATION

For extended media life on your Sof-Disk—take the following precautions:

1. Do not put fingers on the precision surface.
2. Insert the Sof-Disk carefully into the disk drive.
3. Keep the Sof-Disk far from magnetic field which will erase it.
4. Store the Sof-Disk in the jacket when not in use.
5. Handle the Sof-Disk with care. Bending and folding will damage it.
6. Sof-Disk are best stored at temperatures ranging from 10° to 52° C or 125° F.
7. Do not leave Sof-Disk in disk drive while turning your Intecolor ON or OFF.

THE PROPRIETARY FORMATTING PROGRAM USED ON THIS SOF-DISK IS
THE EXCLUSIVE PROPERTY OF INTELLIGENT SYSTEMS CORP.
